Concord, NC (August 20, 2007) – Cabarrus Meals on Wheels announced today that they will be unveiling a new website, [www.cabarrusmow.org](http://www.cabarrusmow.org).

“We are excited about our new website. We hope to raise awareness of senior hunger in our community” said Kimberly Strong, Executive Director. “We are excited to include more information about our program on our website and to offer an opportunity to donate on-line. Individuals will also have the opportunity to purchase tickets to our Annual Sunday Soup Sampling through PayPal on our new site.”

Founded in 1974 by local churches, Cabarrus Meals on Wheels (CMOW) delivers a hot nutritious noon meal to 298 homebound, frail, disabled residents in Cabarrus County, Monday through Friday. CMOW is a United Way member agency and receives additional support from churches, foundations, individual donors, the business community and corporations.

Meals are delivered Monday-Friday to residents in Concord, Harrisburg, Midland, Mt. Pleasant and Kannapolis. For 33 years dedicated volunteers have been delivering meals and providing social contact to homebound individuals.
